How to read this page

• Cereals containing gluten are identified by cereal name. • A statement saying that no allergens were listed in the supplied information is not an allergen-free claim. Always check the manufacturer's original packaging before consumption.

Maltesers dietary note: Suitable for vegetarians; not suitable for vegans; not gluten-free; not dairy-free. Suitability for lactose intolerance depends on individual tolerance.

Lindt Lindor note: Barley malt extract is listed as an ingredient. Lindt states that the product contains less than 20 mg/kg gluten and is gluten free.

Important allergen notice

The chocolate is supplied in its original manufacturer's packaging beneath the personalised wrapper. Ingredients, recipes and allergen warnings can be changed by manufacturers without notice. Customers with allergies, intolerances or dietary requirements must check the manufacturer's original packaging before consuming the product. The information printed on that packaging should always be treated as the most current and accurate information. EllieBCreations cannot guarantee that any product is completely free from traces of allergens unless this is specifically confirmed on the manufacturer's packaging.

MAOAM: No declared allergens or “may contain” warnings, as confirmed by EllieBCreations.
