

Digital Product Licence

Last Updated: 2nd July 2026

1. Licence Grant

When you purchase a digital product from Ellie B Creations, you are granted a personal, non-exclusive, non-transferable licence to use that product for your own personal use.

Purchasing a digital product does not transfer ownership of the product or any intellectual property rights.

2. Permitted Use

You may:

- Download and save the purchased file(s)
- Print the product for your own personal use
- Use the product on your own devices
- Create reasonable backup copies for personal use

3. Prohibited Use

You may not:

- Resell any digital product
- Redistribute digital files to others
- Share download links or files
- Upload products to websites, marketplaces, cloud storage platforms, or file-sharing services for public access
- Claim the product as your own work
- Modify, adapt, or edit products for resale or redistribution
- Use products for commercial purposes
- Include products in products or services that are sold, distributed, or provided to others

4. Intellectual Property

All digital products, designs, artwork, text, graphics, layouts, and related content remain the intellectual property of Ellie B Creations.

All rights not expressly granted under this licence are reserved.

5. Breach of Licence

Any unauthorised use of a digital product may result in the termination of this licence and may require the removal, deletion, or cessation of use of the product.

Ellie B Creations reserves all rights available under applicable intellectual property and copyright laws.
